OdorPet<sup>®</sup> is a bio-active enzyme-based odor eliminator and cleaner. Works within minutes to clean-up pet messes and provide long term control. Eco-friendly process turns organic debris into an odor-free solution of CO<sub>2</sub> and water. Commercial grade formulation that's trusted by professionals and widely used throughout the animal care industry.

**Many Uses** – Especially effective in cat litter boxes and Tom Cat spray, to clean bird urates, including cages and droppings.

Can also be used as a stain remover on clothing, carpeting and household furnishings.

**Directions for Use** - Shake well before using. OdorPet<sup>®</sup> works best when allowed to work uninterrupted in a moist environment. For cages and other animal accommodations use 1 part OdorPet<sup>®</sup> to 4 parts lukewarm water around (70 degrees). For optimal use on heavily soiled areas apply solution and allow to air dry over a 4-hour period prior to disinfecting. Repeat as needed. The use of ammonia or vinegar prior to using OdorPet<sup>®</sup> will greatly diminish its effectiveness.
